

## Psalm 67

4. <sup>4</sup>Oh, let the whole world  
    be glad and rejoice,  
And praise thee their God  
    with heart and with voice:  
For thou shalt judge all  
    with judgement most right,  
And likewise on earth,  
    shalt rule by thy might.
5. <sup>5</sup>Oh, sovereign God,  
    whose works pass all fame,  
Let all people praise  
    thy glorious name:  
All people, I say,  
    in every place,  
Let them give thee praise,  
    and extol thy grace.
6. <sup>6</sup>So then we shall feel  
    God's blessings each one,  
And so of his grace  
    there shall complain none:  
Then all the worlds ends  
    and countries throughout  
His marvellous power,  
    shall fear and redoubt.
